With reference to your No.J.1.C.1100/41-42 dated 2/5/1942 on the above, requesting to intimate if the two lorries have not got drivers and cleaners now employed in the Department, I have the honour to state that they are not borne on the Permanent Establishment of the Division and their services are being utilised on works where lorry is intended to be used and their pay charged to the respective works. The present Tarring work where their services were utilised is now stopped for want of spramex and their services instead of being dispensed with, are proposed to be continued in connection with the A.R.P. Rescue work as already intimated in this office No.945 dated 29/4/1942 providing the same in the A.R.P.Estimates under submission for sanction. These drivers are more or less continuously in charge of the 2 lorries, now on hand and have been used to them.

As such their services are continued for A.R.P. works to avoid change of drivers or recruiting fresh drivers at the time of urgency to handle the power driven machines.

(617) INSPECTOR GENERAL OF POLICE.

Letter No.329 dated 8th July 1942, from the A.R.P. Controller, Mysore City, to the Inspector General of Police in Mysore Bangalore.

I have the honour to state that about 40 persons from the Municipal gangs have been trained in Rescue Work. On A.R.P. Practice days, they will be given regular practise and they will have tow work for at least 2 to 3 hours either in the night or in day time in addition to their duties. As they belong to the labour class, and some sort of encouragement is necessary for them, it is necessary to pay them some remuneration at least on such practice days. Kind sanction is requested for the payment of Rs.0-8-0 each to the maistries and drivers of vehicles and Rs.0-6-0 each to the coolies on the A.R.P. Practice days. This would be much cheaper than recruiting full time men and moreover we can be relatively having the services of these people more sure during a Air Raid than those of recruits as these people have a permanent place in the Municipal Gangs.
